### OVERVIEW OF THE PRACTICE POLICY

We strive to keep our fees affordable for all patients. Our standard GP consultation is 10mins duration, if a consultation happens to last for a period significantly longer than that, a double consultation fee may be charged.

We encourage patients to pay for treatment at the time of visit. An administration fee, the sum of £5 will be applied to all consultations that are required to be billed.

We offer reduced fees for blood tests performed by the practice nurse. Please note, patients must pay for blood test on day of visit.

We encourage patients to cancel appointments if they cannot attend, enabling doctors to manage their time in surgery efficiently.

### GRANT ALLOWANCE

If you are not eligible for a Medical Grant from Social Security this charge will be added to the prices quoted, where applicable.

### NON-ATTENDANCE

All missed appointments will be charged at 50% of the fee.
